confidence:

high

Pain Points Identified

- Labor conditions and trade union relationships [Source: https://en.wikipedia.org/wiki/Apple_Inc.].
 - Environmental practices and corporate ethics [Source: https://en.wikipedia.org/wiki/Apple_Inc.].
-

Suggested Sales Approach

Strategy:

Emphasize the benefits of the Apple Business platform for unified device management, collaboration, and customer engagement.

Opening Message:

Hello, I'd like to introduce you to Apple Business, a new platform designed to help companies like yours manage devices, collaborate, and engage with customers more efficiently.

Talking Points:

- Apple Business provides a unified platform for device management, collaboration, and customer engagement [Source: <https://www.apple.com/in/newsroom/2026/03/introducing-apple-business>].
- The platform features built-in mobile device management, making it easy to configure employee groups, device settings, security, and apps [Source: <https://www.apple.com/in/newsroom/2026/03/introducing-apple-business>].

Avoid:

- Assuming the company is already familiar with the Apple Business platform.
- Not addressing potential concerns about labor conditions, environmental practices, and corporate ethics.

Recommended Timing:

Now, given the recent introduction of the Apple Business platform.

Key Contacts Guidance

Target key decision-makers in IT, operations, and management, such as CIOs, CTOs, and CEOs.

Competitive Context

Other technology companies, such as Samsung, Google, and Microsoft, may offer similar platforms and services.

Data Gaps

- Specific industry and sector information in India.
- CRM history and previous interactions with the company.
