Pain Points Identified

- No specific pain points are identified in the provided sources, but companies may face challenges in keeping up with the latest technology trends and innovations [Inferred — verify before outreach]

Suggested Sales Approach

Strategy:

Focus on the value proposition of the solution or service and how it can help Apple or its customers

Opening Message:

Hello, I came across Apple's new Apple Business platform and was impressed by its potential to help businesses of all sizes. I'd like to explore how our solution can complement Apple's products and services.

Talking Points:

- The benefits of partnering with Apple to leverage its Apple Business platform [Source: <https://www.apple.com/newsroom/2026/03/introducing-apple-business-a-new-all-in-one-platform-for-businesses-of-all-sizes>]

- The value proposition of the solution or service and how it can help Apple or its customers [Inferred — verify before outreach]

Avoid:

- Making assumptions about Apple's specific needs or pain points without verifying them
- Focusing solely on the features of the solution or service without highlighting its benefits

Recommended Timing:

After the introduction of Apple Business, when the company is likely to be open to new partnerships and opportunities

Key Contacts Guidance

The Vice President of Enterprise and Education Marketing, such as Susan Prescott, may be a key contact for companies looking to partner with Apple [Source: <https://www.apple.com/newsroom/2026/03/introducing-apple-business-a-new-all-in-one-platform-for-businesses-of-all-sizes>]

Competitive Context

The technology sector is highly competitive, with many companies offering similar products and services [Inferred — verify before outreach]

Data Gaps

- The number of employees at Apple
- Specific information about the industry and sector of Apple
- Apple's CRM history
