confidence:

medium

Pain Points Identified

- Allegations of visa and tax fraud in the United States [Source: <https://en.wikipedia.org/wiki/Infosys>]
 - Creating malfunctioning government websites [Source: <https://en.wikipedia.org/wiki/Infosys>]
-

Suggested Sales Approach

Strategy:

Personalized approach focusing on AI automation solutions and digital transformation

Opening Message:

Hello, I saw that Infosys has shown interest in AI automation solutions in the past and I'd like to discuss how our services can help with digital transformation.

Talking Points:

- Infosys' expertise in cloud services, digital transformation, data analytics, artificial intelligence, and cybersecurity [Source: <https://umbrex.com/resources/profiles-of-the-top-consulting-firms/overview-profile-and-history-of-infosys-ltd-and-infosys-consulting>]
- Our company's experience in providing AI automation solutions

Avoid:

- Assuming the company is only interested in IT services
- Not addressing the company's past controversies

Recommended Timing:

As soon as possible, given the company's interest in AI automation solutions

Key Contacts Guidance

IT and digital transformation decision-makers, such as CIOs and CTOs

Competitive Context

Other IT services companies, such as TCS, Wipro, and HCL Technologies

Data Gaps

- Recent news and events
- More detailed information on the company's current projects and initiatives
